Rescue stenting is worsening
Occlusion IntraStent
Acute isolated carotid occlusion management:
live RCT inclusion

Discussion Episode 6

Episode 7: The Long Game

Large stroke: aspect 2
Refractory thrombectomy
Symptomatic isolated carotid occlusion:
Carotid endovascular reconstruction

Discussion Episode 7

8.30 p.m

THE END

MEET OUR FACULTY!

Dr. Caroline ARQUIZAN

Neurologist Department of Neurology
Gui de Chauiac University Hospital
Montpellier, France

Prof. Vincent COSTALAT

Department of Therapeutic &
Diagnostic Neuroradiology (Head)
Hopital Gui de Chauiac, CHU de
Montpellier

Prof. Jan GRALLA

Head and director of the Institute of
Diagnostic and Interventional
Neuroradiology at the Inselspital of
the University Hospital, Berne,
Switzerland

Dr. Anne-Christine JANUEL

Interventional Neuroradiologist the
University Hospital, Toulouse,
France

Prof. Tudor JOVIN

Medical Director, Cooper
Neurological Institute Chairman
and Chief of Neurology Stroke
Neurologist Professor of Neurology
Professor of Neurological Surgery.

Prof. Demetrius LOPES

Cerebrovascular Neurosurgeon
Director Stroke and
Cerebrovascular Surgery
AdvocateAurora Health
Chicago, IL USA

Dr. Marc RIBO

Interventional Neurologist Stroke
Unit, Neurology Hospital Vall
d'Hebron. Barcelona

Prof. Alejandro SPIOTTA

Professor of Neurosurgery &
Neuroendovascular surgery, Vice
Chair of Neurosurgery, and Chief of
Neuroendovascular Surgery.
